# SEPTEMBER 2021

# TIMETABLE

---

Following the updated OOSS guidance, we are no longer required to assign students to different group bubbles. This was originally in place to avoid crossovers and to limit the amount of 'mixing' each student comes into contact with. We will still continue to follow other procedures including an increase in cleaning in-between classes and encouraging good hygiene.

Due to this update, we are happy to announce, classes are no longer split into different groups for students who undertake multiple classes.

## **Thursday Classes**

St. Peters Hall is opposite Hudson Primary School.
